V-TEC Machine Tools, Inc. - New Dealer Located In The Greater St. Louis Area Will Support Southern Illinois / Eastern Missouri Region

St. Louis, MO – V-TEC Machine Tools Inc., a machine tool dealer headquartered in Collinsville, Illinois (greater St. Louis area), announced it's opening on July 1st 2007.

V-TEC's creator and President, Ray Varady, is a 25 year veteran of manufacturing, including experience in machining, programming and servicing with sales and marketing experience of CNC machine tools on a local, regional and national level.

V-TEC represents the Hyundai Kia line-up of world-class CNC Lathes, as well as the finest Vertical and Horizontal Machining Centers. V-TEC also offers productivity advancement products such as Phasep coalescors, Liquid Ice Coolant Products and bar feeding & chip conveyor equipment. Other lines are being added at this time.

V-TEC offers consultation on methods and products to make your manufacturing processes more productive and competitive. Varady's expertise in machine tool automation, along with his experience in chip and coolant management rounds out a diverse line of products and services offered by V-TEC.

Most recently Varady served 4 years as a Regional Sales Manager in the Midwest Territory for LNS America, Inc., specializing in lathe automation systems and productivity solutions. For 12 years previous to his tenure at LNS, Varady worked for Hydromat Inc. where he began by

building and servicing KMX lathes. Later he joined Hydromat's IEMCA Bar Feeder Division becoming a Regional Sales Manager and eventually the National Sales Manager where he stayed until 2003. Previous to 1990 Ray worked at a number of manufacturing firms in the St. Louis area including; Parts Fabricators, United Engineering, Tool Craft and Alliance Tool.

Varady is a native of the St. Louis area, born and raised in Collinsville, Illinois. Later he graduated from Southern Illinois University with a Bachelor of Science Degree in Education and Training Development.

Ray began a military career in the Navy Reserves serving with the Seabees. Later he transferred to the Army and received a commission through the Officer Candidate School (OCS) at Ft. Benning, Georgia. He was a Company Commander for two different reserve units and was mobilized for active duty for the Bosnian conflict while commanding one of those units. He served in the Army Reserve for 22 years and retired with the rank of Captain.

The Vice-President of V-Tech Machine Tools is Bernice Varady, a graduate of Southern Illinois University with a Bachelor of Science degree in accounting, a CPA certified in Illinois, with 25 years of accounting and auditing experience.

V-TEC Machine Tools, Inc. is a full service distributor providing sales, applications and service support for the full line of Hyundai Kia machine tools, as well as consultation on accessories and peripheral equipment. Hyundai Kia Machine has been building the finest CNC Lathes and Vertical and Horizontal Machining Centers since 1976. Now Hyundai Kia is a world leader in robotics and plant automation, as well as machine tools. Contact V-TEC Machine Tools, Inc. at: 314.308.6345 or visit www.vtecmt.com
